The Sophomore class has taken part in many activities this year. We were all proud of the tiger and woodpile we burned the day before the Veteran's Day game with Tonasket. Everyone had fun at the annual Sophomore Hop, "Snow Ball Frolic at Twilight."

Karen Roberts was our May Day princess and Elva Bruns and Wanda Kitterman were her attendants. Melvin Clayton and Tom Buckmiller were in charge of building our float.

As we look forward, we want to make our two years as upperclassmen the best yet.

The Freshman class has made considerable progress this past year. Some of the many activities were: a turkey raffle, the winning of first place on our skit, a Christmas card sale, the Freshman St. Patrick's dance, and the entry of a float in the May Day Parade with Beverly Brazle riding as our class princess. We hope the rest of our high school years will be just as successful.
